Celebrating **40**
YEARS

LETTER FROM THE MANAGER

If you are like me and millions of other people- we are happy to say good BYE to 2020. On the upside, we know 2021 will be a great year for the Club, as we celebrate 40 years at the top of downtown Tampa!

Despite the turbulent times last year, there were some significant steps forward made for the Tampa Club. With support of our Members, we are surviving the COVID-19 pandemic. Not only is the Club in a financially stable place, our staff has remained mostly healthy, certainly in great part to everyone's compliance with our Health & Safety Plan implemented last spring. There were definitely some difficult moments for our team as the repercussions of the Club's closure and stay-at-home orders ran their course, but all are grateful for your generous participation in the annual Holiday Fund, and all of us look forward to brighter and busier days ahead.

In order for us to continue to improve our operations, I encourage you to dine in the Grille - breakfast will be back soon, and we're happy to be featuring our newest dining concept that is inspired by the modern steakhouse. I encourage you to still look to celebrate by hosting private events, even if your comfort levels prefer to keep it small. We're also very fortunate to have seen new Members joining the Club at the same pace as years past, which tells me that even during difficult times, the Club has a momentum that cannot be stopped. Thank you to all of you who have referred these new Members.

With this issue of The View, you will see a number of NEW programming offerings from both our newly founded Health & Wellness Committee, and unique experiences through our new partnership with the Tampa Bay Whiskey Society. Please also mark your calendars for Saturday, April 17th. As you may likely have heard, the YMKG and the City have postponed Gasparilla for 2021 and our annual party has been as well.

As always, please don't hesitate to reach out to me to provide feedback, ask questions or make suggestions for the betterment of our Club.

As I speak for the incredible team, THANK YOU for your continued support of the Tampa Club!

Sincerely,
Tim Jarrett, General Manager

Tampa Club - Health Safety Plan

Effective September 1, 2020

As we resume club operations, the Tampa Club will remain vigilant to protecting the health and safety of our Members, Employee Partners and Vendors. We will continue to monitor the latest government and CDC guidelines for proper facility hygiene and social distancing practices.

Please visit www.thetampaclub.com for our full Health & Safety Plan and the latest updates.

DRESS CODE

The Tampa Club's dress code exists to promote a comfortable environment befitting a business club where members entertain socially and professionally. The dress code is in keeping with the spirit of the club and best serves the majority of its members. While traditional business attire is always appropriate, business casual attire is also welcome. Nice denim is permitted in the Club. The following is not permitted anywhere in the Tampa Club: T-shirts, bare midriffs, flip flops, shorts, athletic attire. It is the responsibility of members to ensure their guests are aware of the dress code.

A Moment with Tampa Club Member

ASHELY & WHITNEY BRUNDAGE

Tell us about you both – what would you like us to know about the Brundage family?

Whitney: I am a mom to 2 wonderful boys, Bryce and Blake. They are my proudest and most wonderful accomplishments. Bryce, 15, is a Freshman in the IB program and Blake, 13, is in his last year of middle school. Professionally I focus on Business Strategy, I love initiating a new company focus or creating and guiding strategic initiatives. I am VP, Programming and Strategy for a technology membership association and offer some consulting to small businesses. I am very close to my family, my parents are also members of the The Tampa Club and we frequently visit together. My sister does not live in Tampa, but she is my absolute best friend, we talk everyday, and she visits the club when she is in town.

Ashley: I work full time as VP of Inclusion for a major financial services organization for which I started as a part time teller and rose to that position in less than five years. I own and operate a speaking, training, and leadership development organization founded on the 10 key empowering actions that I used to grow my career so quickly. In 2020, I also just released my new book "Empowering Differences" and excited to have our whole family help launch this book at the Tampa Club! Whitney and the kids are my driving inspiration to create a more inclusive world.

What do you love the most about living in Tampa?

Whitney: I am third generation born and raised in Tampa, I even stayed for college and attended The University of South Florida. I love that Tampa offers everything of a big city yet we have always been a best kept secret. Ashley and I worked on a committee to bring a large conference to Tampa for their annual event, the event organizers were astonished at our venues, landmarks, history, culture, and that we have a parade for everything! Tampa really is home to me.

Ashley: What's not to love about Tampa, from the weather, events, and sunsets it is truly captivating year round. Speaking of events, excited about the annual Gasparilla season, as it will be my second year leading the Knights of the Krewe of Cavaliers. One of the oldest active Krewes in Tampa, and one of the first founded on diversity as a core principle.

continued on next page

“

Any words of wisdom to current Members or those considering membership?

Whitney: Whether you joined for business or social reasons, the club offers something for everyone. You will get the most out of your membership by getting involved and attending events.

Ashley: It's an inclusive club unlike others due to the diversity amongst the members but still has that exclusive feeling that can excite you and your guests each and every visit.

A Moment with Tampa Club Member

You have both been incredible supporters and actively involved with the Club. Why the Tampa Club and what have you gained from your engagement and experiences thus far?

Whitney: Ashley was involved with the club through various community engagements, when she decided to join our entire family frequented the club. One of my first impressions was how well food allergies were handled, I have celiac disease and one food allergy. I felt very comfortable visiting the club and hosting events knowing that I did not have to worry about any reactions. Throughout frequent visits, I got to know other members and staff well and 2 years ago I joined the Member Relations Committee. It was during those meetings I observed how invested the staff is in members having a great experience, I became even more engaged in events and visits, I really enjoy being a small part of ensuring members have a great experience. Also, it's the greatest view of Tampa.

Ashley: I specifically chose to be a member at the Tampa Club because The club was founded on the principle of diversity, and being a leader in the diversity and inclusion community that really resonated with me.

We are celebrating 40 years, this year, what do you see for the future of the Club?

Whitney: I would like to see the club retain its roots, but grow to meet the changing needs of business professionals and the Tampa Bay Community in the current climate. I think the club adapted well with the struggles we all saw in 2020, an ability to continue to adapt will drive the success of the club for the next 40 years. I am honored to be chairing the Member Relations Committee in 2021, we have a great group that is invested in the club's growth and success.

Ashley: Love seeing the menu evolve while still capturing the club life essentials like amazing wine and a great steak. Watching the club updates are also very exciting and should definitely be something to look forward to in 2021.

MEMBERSHIP MINUTE BY ANN PEREIRA

Happy New Year Tampa Club Members!

We can finally put 2020 behind us! It's a new day, a new year and The Tampa Club is celebrating our 40th anniversary. Despite the challenges of 2020, the club saw incredible growth with over 150 new members. There is life in the club and the vibe is exciting. Members are making new connections socially and professionally every day. Most of our new members, were referred and sponsored by fellow members. I am anticipating that this coming year will bring the greatest growth to The Tampa Club. Please continue to share your experiences at the club on social media and invite your friends, family and co-workers to come for visits. Each month, the club will be hosting Discover Tampa Club Happy Hour. This is a great opportunity to host an intimate event for future members to meet committee and board members and learn more about our great club.

In 2020, we had several new reciprocal clubs for our members to enjoy including The Bay Club at Westshore Yacht club, River Hills Country Club and Clearwater Yacht Club. We just added the University Club of San Francisco and will soon announce a few more to our portfolio. Please call or email me for more information on Palmer Advantage and your reciprocal club access.

Thank you for your continued support.

"The Annual Presidents Cup Golf Tournament raised nearly \$5300 for the non-profit, Are You Safe."

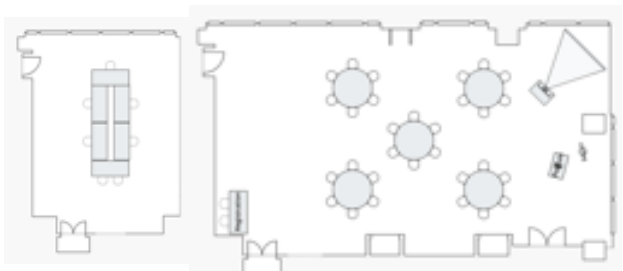

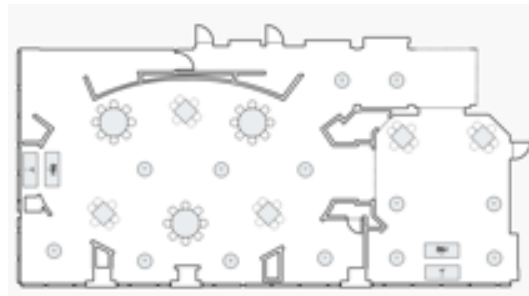

ELEVATED EVENTS BY MELISSA DAVIDSON

Greetings Tampa Club Members, welcome to 2021 where my motto will continue to be "CELEBRATE SAFE!" The events industry is rapidly changing in response to COVID-19. We're using more space than before for our events, we're creating more

strict set-up requirements in response to CDC and local government recommendations and restrictions and we're learning to wash hands, touch less, sanitize more and mask up when interacting. What cannot be denied though, is the desire for human interaction, and so we are committed to providing safe space for you to continue celebrating, meeting and networking.

We're experimenting with new service formats, we're accommodating client preferences with regard to THEIR personal comfort levels, and what will make their guests feel most comfortable. I'm really excited to share that our new diagramming software allows me to create room layouts, defining some of those set up preferences (tables 6 feet apart, etc) specific to your event, and ensuring everything works to scale well in advance of your event. It gives us a chance to explore several set up options, and even look at the set up in 3-D! Additionally, you're able to see hypothetical set up options for each of our event rooms by visiting our website: <https://thetampaclub.com/web/pages/rooms-capacity1>. Lastly, don't forget it is engagement season, and even COVID can't stop love! We are still hosting weddings, SAFELY, of course, and we still have dates available for 2021. We have an amazing INTIMATE wedding package that is an excellent offering for small weddings of 50 guests or less. Be on the lookout for details on MiniMony weddings, which will be offered this summer here at the Tampa Club, and lastly DO NOT FORGET Tampa Club members who REFER couples to host their wedding here at the Club will receive a \$250 Member Appreciation Credit to use towards food and beverage here at the Club. Thank you in advance to telling all those newly engaged couples about how wonderful it is to say "I do" at the top of Tampa.

As we progress into the new year, I encourage you to reach out to discuss your upcoming events. We can talk about the current recommendations and restrictions, what other people are doing, what specific things can be done to make your event safe, and I'll do whatever I can to take the stress out of the planning process. I am here for you, and I look forward to working on your event needs in 2021!

Melissa Davidson, Private Events Director

Congratulations to Club Members, Mr. & Mrs. Roger & Rosario Hoselton, Mr. & Mrs. Nick & Alex Koen on their beautiful weddings, as well as to Dr. & Mrs. Gerard Mosiello on the marriage of their daughter. It was our absolute pleasure to be a part of your special day!

WHAT THEY'RE SAYING

Alexa & Nick

Amazing Venue

We had our wedding at the Tampa Club and it was the perfect day! Melissa was great throughout the whole process. She was very responsive, accommodating, and made sure everything went smoothly. The food was great and the staff were all very professional. It is a very elegant venue and we highly recommend it for any event!

Tampa Club Members will now enjoy PGA rates for up to four players, 48 hours in advance. The rate changes seasonally so here are the PGA rates.

Tampa Bay

1/1/2021 - 4/11/2021 \$90 + TAX

4/12/2021 - 5/31/2021 \$80 + TAX

6/1/2021 - 9/30/2021 \$70+ TAX

When Tampa Club Member's call, they will provide their member number - our staff will reference it in the reservation notes. Call (813)949-0090 ext. 1 for tee times 48 hours in advance.

PGA rate includes greens fee, cart and practice balls. TPC Tampa Bay is open 7 days a week.
